

NOTICE TO RENTER / PURCHASER
Of
FRONTIERSMAN® / SABRE Wild® Bear Attack Deterrent

IMPORTANT: FRONTIERSMAN® Bear Spray repellent should not be released to individuals under the age of 18, or to individuals who are not willing to complete this form. Bear repellents are registered under the Pest Control Products Act; it is illegal to use a pest control product without following label directions.

Please complete the following information in order to comply with the Pest Control Products Act of Canada, administered by the Pest Management Regulatory Agency of Health Canada.

General Terms and Conditions + WARNING:

- Capsaicin sprays have proven effective in repelling aggressive bears only when sprayed directly in the eyes and nose, and should be used only as a last resort.
- Capsaicin sprays will not repel bears from treated objects or areas, and may result in increased investigation of sites by bears. Canisters should not be test fired in areas inhabited by bears.
- If a canister has been test fired, all residues of product should be washed from the canister nozzle and cap with soap and water before being transported to areas inhabited by bears.
- This product is sold without warranty expressed or implied. No warranty or representation is made as to the ability of this product to protect the user from injury or death. The user assumes all risk when confronted by a bear.

Remember, there is no guaranteed method of responding to a bear or other predator attack; each encounter is unique. The user assumes all risks when confronted by a bear or predatory animal.
